

Come and discover the largest and the most beautiful island of the Mediterranean sea:

Sicily

It is one of the pearls of Southern Italy and is waiting to be discovered, understood and experienced through a series of itineraries dedicated to various areas of interest ranging from nature to history and traditions. It offers unique and intense scenery, scents and flavors of uncontaminated nature, like **San Vito Lo Capo**.

Its great volcanoes are symbols of the irresistible beauty and vitality of this incredibly charming region. A climb up **Mount Etna** is something that should not be missed!

The regional capital, **Palermo**, and its Province are dreamy destinations even for the most sophisticated traveler in every season and have so much to offer for every type of interest.

San Vito Lo Capo

Catania

Palermo

Every single one of these could be the perfect destinations for your incentive travel, team building or convention.
